

Editorial talk on "Common Pitfalls for Scientific Writing & Science of Synthesis"

Jointly Organized by
Central Library & Thieme

30th January 2023
3:30 PM - 5:30 PM

Lecture Hall - 1

About Thieme

Thieme Medical Publishers is a German medical and science publisher. It produces professional journals, textbooks, atlases, monographs and reference books that covers a variety of medical specialties, including neurosurgery, orthopaedics, endocrinology, urology, radiology, anatomy, chemistry, otolaryngology, ophthalmology, audiology and speech-language pathology, complementary and alternative medicine.

What the talk will cover

- 1. Save time when planning a synthesis:** Retrieve a concise hitlist of reliable organic transformations and applicable methods, hand-selected by experts in the field
- 2. Find the right synthetic route quickly:** The full-text expert reviews help you to find out immediately which synthetic methods are useful for a particular route or not
- 3. Get a comprehensive overview of the field or a specific topic:** All methods are organized in a logical, consistent structure by functional group and presented in the context of a field review. This makes Science of Synthesis the perfect learning, teaching, and consulting tool.

Resource Person

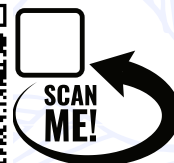

Dr. Rohit Bhatia
Acquisitions Editor
Thieme Chemistry

Who can Attend

NISER's Faculty Members, Research Scholars, and Integrated MSc. (4th & 5th Year) of SCS & SBS are cordially invited to attend this event.

Registration

Please confirm your participation by registering on or before **29th January 2023**
