

ADVENT CHEMBIO PVT.LTD.

Dear Esteemed Partner,

We thank you very much for your continued support throughout these years which has helped both our organizations to mutually grow and establish our brand in the market in a short period of time.

You are aware that in the recent past a lot of input costs (of many chemicals) have gone up due to various reasons which include the rising fuel costs, freight costs, import restrictions, geopolitical developments, metal prices etc.

We have been trying to absorb the increase at our end as much as possible and have not increased our prices even when all other companies have revised their prices.

However for few of the chemicals it is difficult to continue with the existing prices and hence we are revising the prices only for these few items.

Attached is the list of those items with the new list prices, which will be effective from 1st May 2022. For all other items our price list PL-05 shall be applicable.

We once again thank you for your constant support and look forward to continue growing along with you.

Thanks and Regards

For Advent Chembio Pvt Ltd
